

ULD[®] HydroPy 300[®]

Pyrethrin Concentrate

TECH NOTES

ULD[®] HydroPy-300[®]

The Perfect Solution for Mosquito Misting

ULD HydroPy-300 is a water based pyrethrin concentrate specially developed for easy dilution with water.

See chart below for recommended mixing amounts for mosquito misting systems.

Gallons of Fill Water	Fluid Ounces of HydroPy-300	Percent Pyrethrin in Solution
20 Gallons	40 fl. oz	0.050%
30 Gallons	60 fl. oz	0.050%
40 Gallons	80 fl. oz	0.050%
50 Gallons	100 fl. oz	0.050%
54 Gallons	108 fl. oz	0.050%

BENEFITS

- Quick knockdown and kill from 3% pyrethrin concentrate with 16% synergist
- Easy dilution due to water-based micro emulsion
- No additional mixing required after dilution

ACTIVE INGREDIENTS

Pyrethrin 3.0%, PBO 6.0%, MGK-264 10%

SIGNAL WORD

CAUTION

PACKED

4 x 1 gallons / case; 36 cases / pallet
